International Opportunities @ AGSM			
<b>Global Network for Advanced Management (GNAM)</b>	MBA students have the opportunity to participate in AGSM's exchange program or visit a GNAM course as part of their Electives. Exchange & GNAM opportunities are limited and are allocated to students on a competitive basis.	<b>International Exchange</b> Traditional & Alternative Exchange	
<b>Global Network Events (GNME)</b>	All international opportunities are managed via separate application processes by AGSM Student Experience. Student Experience will advertise in the Newsletter and the Student Community in Terms when applications for approved international courses open.		
<b>Global Network Courses (GNCO)</b>	In 2022 our focus is on GNME online opportunities due to the ongoing uncertainty surrounding international travel impacting GNAM tour opportunities. Please refer to the AGSM Website or Intranet for further information.		

**MBA (Executive) Executive Year - completed as a 1 year cohort experience, inclusive of 3 x 5 day Residential in 3 consecutive terms.**

From 2022 the MBA Structure is no longer split into Stage 1 (Core & Electives) and Stage 2 (Executive Agenda Year (EAY)). From 2022 MBA Students are able to enter the Executive Year after completing their 5 core courses. It is recommended to take the Executive Year after your core and electives to build on learning outcomes, but the flexibility is there to allow earlier entry (pending placements). Students take the 3 Residential courses across elective terms, with the same cohort of students across all terms.

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their program. If you would like assistance with your program planning, contact Student Experience for a Progression Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require any late changes to arrangements. AGSM reserves the right to offer any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.
