Visas

Upon acceptance as an international exchange student, GW will provide the appropriate documentation for students to apply for a student visa at their local U.S. Embassy or Consulate. The visa application process can be time-consuming. **It is essential that students send complete materials by the application deadline in order to not delay obtaining their visa.** Exchange students should allow ample time for visa processing by the U.S. Embassy in their home country.

Health

Health Insurance

Exchange students are **automatically enrolled** in the GW Student Health Insurance plan that meets University and J-1 exchange visa requirements. Students with a plan that meets the University and J-1 visa requirements are able to request to waive the GW Student Health Insurance plan. The online waiver must be completed prior to the established deadline, or students will be charged for the GW Student Health Insurance plan. Please visit the following sites for more information:

Immunizations

The Meningococcal Vaccine or waiver is also required. Students should consult with their physician AT LEAST one month prior to arrival regarding the required immunization form and vaccinations, if required. Not beginning this process prior to arrival could result in delayed receipt of official transcripts. Visit the SHS website for more information and the most current forms:

Student Services

Each semester Global & Experiential Education organizes events specifically for GWSB exchange students. In previous years exchange students have visited the World Bank, the White House, and the International Monetary Fund. Students are matched with local GW student "ambassadors", to help them navigate student life at GW. These ambassadors are invited to attend all events with the exchange students.

Career Development

The F. David Fowler School of Business Career Center provides career advising services to all GWSB students, including exchange students. Recruiting events are restricted to GWSB degree-seeking students, however, exchange students may request assistance with resumes, interviews, and other advising services for preferred careers. Because of restrictions on foreign nationals working in the United States, international students are encouraged to first talk with the GW International Services Office about the employment guidelines for their particular visa type.

International Services Office (ISO)

In addition to hosting the International Student Orientation, the ISO serves as the primary administrative, programming, and advising office for the GW international community. International students in the GWSB consult with a specific advisor in the ISO during their stay.

COVID-19 Continuity

GW is planning to run classes in-person to the fullest extent possible in the Fall 2022 and Spring 2023. All students, faculty and staff are required to adhere to the campus health and safety guidelines vaccination compliance, testing requirements and in-door gathering measures. Find out more about our campus policies here: onward.gwu.edu/campus-health.
