

# Spend a semester at the forefront of innovation and entrepreneurship

*Internationally recognized for excellence*

The only internationally accredited business school in Israel

## Why Tel Aviv?

Live in the city that never sleeps. Experience the city buzz and energy with its amazing beaches, cafes, nightlife and party atmosphere.

Be a part of the heart of the 'Start-Up Nation' and home to Israel's start-up community. Tel Aviv was ranked Europe's main technology hub by the *Wall Street Journal*, The world's 2nd best start-up ecosystem by *Startup Genome* and 3rd Best City by *Lonely Planet*.

## Why Tel Aviv University Coller School of Management?

The Coller School of Management is the only Israeli member of Partnership in Management (*PIM*) and the only internationally accredited business school in Israel (*AACSB*). We are in partnership with over 100 business schools worldwide.

The Coller School of Management has strong connections with Tel Aviv's startup community and with the leading players in Israel's economy. Our school took the #11 spot for the Top 50 MBA programs for VC-backed entrepreneurs by PitchBook. We also garnered the #1 spot in the "Rest of the World" category for MBA's outside of Europe and the USA.

As an exchange student you can take a variety of business school courses (strategy, entrepreneurship, marketing, organizational behavior etc.) and you can take courses offered by other schools at the university (Middle East culture, History, Economics and Psychology to name a few).

Also, you can do an **academic internship!** This will enable you to experience the **startup nation** and advance your career.

You can go on field trips and explore the country. As an exchange student you get to be part of the **TAU buddy system**, where exchange students meet Israeli and other international students and participate in social, cultural and sporting events throughout the semester.

If your university does not have a formal exchange agreement with us, you can contact the exchange office and come as a free mover.

## Why Tel Aviv University?

We are Israel's largest and most comprehensive university. We are consistently ranked in the top 20 in the world in terms of scientific citations and among the top 100 universities internationally.

*“ The exchange experience was unforgettable. The school, the people, the weather, the food, the whole country and the city of Tel Aviv are simply magical. Best city ever! ”*
